TRAYED from the subscriber, and was seen a few Days as a above the Head of Severn, in the Road to Ela-Ridge, a bright bay Gelding, about 14 Hands and a trais high; blaze Face, hanging Mane and switch 1 ail, but no Brand that I remember, a dark Spot appears on his Weather, as if he had the Pole Evil, his shoes were lately tak n off, and left his Hoofs much broken, which makes him often stumble; he paces agreeably under-had le, and has high Spirit; being lat ly in a Carriage his Breast is rubbed bare by the Harness. I bought him last spring of one Lawely, of Battimens, and it's probable his will endeavour for Lancaster, where I understand he was bred. Wheever will deliver the find Lorse to me at Acampelia, shall receive, if taken up in mane-Arundel county, Twenty Shillings 1 in buildings County, Thirty Stillings; and if out of the Province, Three Ponnis Currer cy Reward.

TO THE LANDED GENTLEMEN.

THE Subscriber takes this Method of informing them, that they may be taught a Method of clearing their Land of its Timber and Brush, and burning the same to Ashes, to such an Advantage, that the Afker, when made into Pot-ath, will confiderably more than pay them for all the Labour of clearing their Lands. He likewise instructs Gentlemen how to make Pot and Pearl-ash in the best a d newest Method. He has confinucted a new model'd Kattle for boiling Lees to an aikaline Sait, that will boil near as much in One Week as any Ke tie of the same Gauge made here ofore will in I wo. He has ta got fe eral Gmtlemen in the Counties of Woreefer, som that and Dor-fet, in this Province, the Method of clean Land and making Pot-aft. Any Gentlemen that incline to be taught the above will find the Terms very reasonable, Their must bumble Servant, BENJAMIN LEIGH.

N. B. He may be spoke with at the House of Capt. John Pitt, in Annapolis, or any Gentieman may be waved on by tending a Line at the above Pla e.

The Structure and Diseases of these tender, sympathetic, and nearly connected Organs, to which Nature has assigned the nost important Offices of Life, have for many Years particularly engaged his Attention and Practice; whence, regardless of vague conjectural Hypotheses he hath deduced, on rational Principles, Methods of Cure, improved and confirmed by the most accurate Observations in a Course of Practice, the most extensive, and, perhaps, the most successful of any of his C temporaries in Europe or on this vast Continent.

The candid and intelligent Inhabitants of these Parts of British America can readily distinguish true Merit from pretended Knowledge: To conciliate their Fa vour, Doctor Graham news Leave to fore them, that, with Lendernet and Moderation, even to the poor ft Individual, his bett Abilities flial, at all Times he exerred to faive them. Since his Arrival in this City, in Navember, 1771, Four Hundred and Seventy Patients have been cu ed or relieved of the following Disorders, many of which had been of long standing, and deemed incurable by other Practitioners, even by Gentlemen who otherwise do Honour to the Profession, the Moderation and Success attending their Practice sufficiently evincing that they are worthy and capable of the great, the important Charge with which they are entrufted. The chief Diforders are as follows, viz.-Tota, partial and periodical Blindness; Weakness and Dunness of Sight; Squinting; Pain, Swelling.and Inflammation of the Eyes; Spots, Specke, Pearls, or Films occasioned by the Small-pox, Bows, or extraneous Substances; weak, watery, red, spongy and ulerated Eye-lids; falling off of the Hairs of the Eye-lasties;—spassmodic Twistings of Muscles; involuntary Weeping of the Tears; Tumours and Excrescences; Finulæ achrymales .- Total and periodical Deafne's Hardness of Hearing ; Pain and Inflamations; painful Sentations in Confequence of loud Sounds; Cracking, Itching, continual and remitting Noiles in the Ears; offensive Runnings occasioned by Colds, Swimming, Picking and improper Applications, or by long and fewere Sicknesses; Infects and extraneous Bodies getting into the Ears; Ulcerations with Caries of the Bones; Polypi, &c .- and feveral Perfors born deaf and dumb, who have made very confiderable Advances in Speaking and Hearing, intomuch that perfect Cures. will probably be effected. . .

Those who have Occasion for Assistance are desired to a ply immediately, for Business in Philadesphia will require his Attendance as usual, at his House the Corner of Fith and Market fireets, Tuesday, the 17th of Nevember.

N. B. The Poor who apply properly recommended, will be affifted gratis, with Advice, Medicines, or manual Operations, as their respective Cases may require; and they are desired to apply every Morning between the Hours of Six and Eight.
